# A new standard. A new choice. Nuance gel pillows platform

## The new choice for better sleep

We're setting a new standard in nasal pillows masks. Philips Respironics, the world leader in gel cushion technology, is bringing the comfort and sealing power of gel to nasal pillows. As the latest in our groundbreaking new line of masks, Nuance gel pillows represents the new choice for better sleep therapy for clinicians, home care providers and patients.

As the first and only gel pillows platform, Nuance is designed to help patients succeed by providing a more comfortable and familiar feel. With the greater comfort and seal of gel pillows, the ability to fit many different size nostrils and choice of a fabric or gel frame, Nuance is truly a new standard in nasal pillows masks.

- Choice between fabric or gel frame for comfort with fewer red marks
- Non-slip headgear stays in place throughout the night
- Gel pillows provides greater comfort and seal
- Light-weight, flexible tubing
- Reduces nasal irritation
- Conforms to different size nostrils

Nuance gel pillows platform  
is more comfortable than the  
leading pillows mask

# Nuance. A new standard.

Patients rated Nuance gel pillows platform easier to assemble, disassemble and use than the leading pillows mask

During our CPAP patient preference studies, Nuance was preferred over the leading nasal pillows masks in these categories:

Patient preference study results
More comfort
Easier to use
Superior seal
Greater stability
Less nostril irritation

# Nuance. A new choice.

## Designed around patients

Fabric or gel padded frame options for comfort

### Gel Frame

- Gel padded frame and non-slip headgear holds mask in place
- Reduces need for re-adjustment
- High-performance look

### Fabric Frame

- All fabric frame & headgear enhances patient comfort
- Soft, fabric experience for better sleep
- Fewer red marks

Order Nuance now to see how we're setting the new standard in sleep therapy.
